AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He re-Ters to the entire Western and Southwestern country to hear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a Southern Express Company perfect restoration of the general health.
